National rankings: top 20!

- NIH
  - #18 among ~125 med schools

- US News and World Report
  - #19 among ~1,500 psychiatric hospitals

National leadership

- DSM-V
  - Susan Schultz
  - Also Bill Coryell, Jane Paulsen
  - Guide: Don Black

- ISIPT
  - Scott Stuart
Current research

• $24.8 M
  – $14.8 M NIH
• 99 current grants
• 54 corresponding author papers in PubMed

Major papers

• Wassink TH, Andreasen NC. Influence of ZNF804A on brain structure volumes and symptom severity in individuals with schizophrenia. Arch Gen Psychiatry. 2012

More major papers!

• Feinstein JS, Wemmie JA. Fear and panic in humans with bilateral amygdala damage. Nat Neurosci. 2013
• Xu P, Lutter M, Pieper AA. Double deletion of melanocortin 4 receptors and SAPAP3 corrects compulsive behavior and obesity in mice. Proc Natl Acad Sci U S A. 2013
• Andreasen NC, Ho BC. Relapse duration, treatment intensity, and brain tissue loss in schizophrenia: a prospective longitudinal MRI study. Am J Psychiatry. 2013
• Tabrizi, Longbehn DR; TRACK-HD Investigators. Predictors of phenotypic progression and disease onset in premanifest and early-stage Huntington’s disease in the TRACK-HD study: analysis of 30-month observational data. Lancet Neurol. 2013
Major new grants

- BC Ho
  - R01: SZ and MJ brain imaging
- Dan O’Leary
  - R01: Binge drinking brain imaging
- Jane Paulsen
  - U01: Protein biomarkers in HD
- Lilian Dindo
  - K23: ACT for depression and migraine
- Scott Stuart
  - R21: Optimizing IPT

New tenure-track faculty

- Andrew Pieper, MD, PhD
- Shizhong Han, PhD
- Karin Hoth, PhD
- Jake Michaelson, PhD
- Sarah Tighe, MD
- Gen Shinozaki, MD

New clinical track faculty

- Laura Fuller, PhD
- Todd Kapelman, PhD
- Jeff Jaeger, PhD
- Ki Wan Nam, MD
- Erin Perdock Martin, DO
Clinical

- Jodi Tate
  - Leading medical directors setting goals across dept
  - Leading EPIC, HBIPS, Meaningful use, etc
- 3 new nurse case managers for outpatient clinics
- New director for psychosocial tx, Scott Temple
- Tom Brashers-Krug new inpt director at VA
- Child clinic: best in hospital!

Comprehensive care

- Get all caregivers on same page for comprehensive and integrated approach
- Want different disciplines speaking same language
- We need to treat the disease and the person!

Neurosciences clinic

- Neurology, neurosurgery and psychiatry
  - Dementias
  - Mood disorders
  - Epilepsy
  - Neurogenetics
- Will be together in newly renovated space, but delayed
Psych ER

- New space about complete
- 5 pt rooms and a consult room
- More welcoming and more appropriate for long term stays
- Still need staffing
- Elaine Himadi – Named “Consultant of the Year” by Emergency Medicine residents

Planning new inpatient space

Adult residency

- New associate program director: Nancy Williams
- Terrific new chief residents: Abe Assad, Kija Weldon, Sarah Falcon
- Improvements in psychotherapy training
Child residency

• Successful reviews
  – 5 yr accreditation
  – Peter Daniolos
• New associate director
  – Erin Perdock Martin
• New chief residents
  – Jeniece Knott
  – Amanda Elliot

Medical students

• Tony Miller: Medical Education Celebration Day teaching in psychiatry award
• Jess Fiedorowicz: M4 Jr Faculty Yr Award from CCOM Student Govt
• 48 electives done by 26 students
• Eric Epping new co-director of Medicine and Society

Health services team

• Dartmouth team, led by Alison Lynch
• Focus on pts with ID
• Pts who stay longest often those with ID for whom we cannot find a place to safely discharge them
• We need a plan to provide care for these pts in a way that makes a difference
Mental health services research

• How can better care be delivered in a more cost-effective way?
  – Transitional Care Teams project
    • Carolyn Turvey, co-PI
    • Aim to reduce readmissions by improving communication between UIHC inpatient team and providers in outlying counties
  – Works in 9 counties
  – 12% of pts redirected by TCT team intervention rather than readmitted

Faculty recruitment

• VA CADRE program recruiting someone to work on mental health services research and implementation
• Integration of psychiatric care into primary care

Philanthropy

• New endowed chair: Carver Chair in Neuroscience-Psychiatry
  – $2,000,000
  – Jane Paulsen
• Bob Robinson Fund
  – $150,000
• Commitment from Stolzfus family
  – $100,000
• Neurosciences and psychiatry a priority for Foundation
